PROFILE

I am a full time employed student working towards becoming a Jr web developer and software engineer. My experience is predominantly in first responding with a focus is fire fighting and EMS work.

EMPLOYMENT HISTORY

❖ **Security Ranger, San Antonio Zoo** Oct 2017 — Present
San Antonio, Tx

My duties as a security ranger at the San Antonio Zoo consist of helping guest while they might be having a bad day and try to ease tensions. Helping with anything from minor first aid to assisting EMT's with more severe situations. And patrolling grounds to make sure the establishment is a safe environment for employees as well as guests. With more obscure duties that are involved but many not necessarily be listed under my job title

❖ **Merchandise Clerk, San Antonio Zoo** Jun 2017 — Oct 2017
San Antonio, Tx

My duties as a merchandise clerk consisted of keeping my immediate work space neat and orderly, as well as assisting guest with finding the right souvenir to take home with them to remember their day at the zoo. Other duties included making and receiving orders to be sure my shop was full stocked at all time. book keeping to be sure a record was kept of what was sold through out the day.

EDUCATION

❖ **University of Texas at San Antonio** 2021 — Present
Web Development and Software Engineering San Antonio, Tx

This is a coding bootcamp where my education is based on learning how to build websites and making responsive. I'm learning Everything from HTML, CSS and JavaScript.

❖ **San Antonio College** Aug 2013 — Dec 2019
Fire Science San Antonio, Tx

This degree plan consisted the more technical aspect of becoming a firefighter. I learned fire chemistry, building construction, and the legal aspect of fire fighting.

❖ **San Antonio College Reginal Fire Academy** Jan 2013 — Jun 2013
TCFP certifications San Antonio, Tx

In this part of my educational career I learned how to fight fire and run into burning buildings. I learned how to operate in a fire ground in a safe and efficient manner.

❖ **James Madison Highschool** Aug 2009 — Jun 2012
Highschool Diploma San Antonio, Tx

This was my high school education from grade 9 to grade 12
